[14:23] <maddcrazed> well he gave up during the 'marathon'

[14:27] <djruno1> it really wasnt much of a "marathon" compared to the ones other streamers do. and thanks to the patreons who picked some of the most boring games ever. i'd rather would've seen him playing ac o

[14:30] <maddcrazed> i agree it was short. Any game voteable should always be one he will enjoy playing no matter what votes #1, That way viewers get a gamer who's having a good time.

[14:30] <maddcrazed> Don't list 3 and hate 2 of them, list 3 you like and have a vote and no matter what we get a broadcaster with a great additude

[14:33] <djruno1> i wish i would be able to vote too but for whatever reason it demands either a debit or a credit card and i have neither. yet i hope someone one day votes for phil to play assassins creed rogue

[15:29] <myfellowjohnson> Why isn't he playing?

[15:33] <couldntdoanything2lag> ^^
